NRCS EMPLOYEE RECOGNITION OPPORTUNITIES OUTLINED

The NRCS Employee Recognition Committee (ERC) meets every quarter to monitor the employee incentives/recognition program in the state and provide feedback to the leadership team on issues that need to be addressed to ensure employees are fairly and equitably recognized for their excellent contributions to the agency and its mission. Each committee member has been assigned to an NRCS Area where they will function as an advisor on award nominations. The committee members are listed below along with their contact information. You may start working with your local ERC representative on award nominations as of the date of this e-Blast.
